MEMORANDUM FOR: Deputy Director for Intelligence
FROM: Director of Central Intelligence
SUBJECT: NIO for General Purpose Forces

General Vessey called to say that [redacted]
[redacted] the man you had, would not be a good selection. He
suggested [redacted]
[redacted] previously with the Allied Forces Center in
Europe. He appears to have command experience and little
intelligence experience but Vessey thinks his background and
record indicated he would be a good NIO for General Purpose Forces.
